

**MUSALIAR COLLEGE OF ENGINEERING AND  
TECHNOLOGY PATHANAMTHITTA**

**Seminar on  
Industry Interface**

A seminar on Industry Interface was held on 18th August 2014 in the Seminar hall of ECE Department. It was organized by Musaliar college of Engineering and Technology. Seminar entailed of expert lectures, career talks, group discussions, and project idea presentations on different topics under Intellectual Property Rights. The event started with the welcome address of Prof. Dhanya V.

Speaker of the session Dr. I. G. Rathish, Assistant Professor, Inter University Centre for IPR studies, CUSAT, focused up on the relevance of Academia in its new - avatar as the repository of skill development. Young brains in the academia, under the prolific guidance of able faculty, are more prone to initiate technological changes and tech revolutions. Industrial development towards complete automation has made Academia Industry interface imperative beaming in teachers into the scenario. The teachers form the middle phase of the pyramid with students at the base and industry at the peak. The talk was a boost to the faculty forever brimming with new ideas about student development. Nothing serves to make a teacher happier than to envision the triumph of students. Dr. I. G. Rathish delivered ideas about new avenues and possibilities of exploring into the industry in a meaningful manner. The seminar came to an end at 12:30 PM with the vote of thanks by Prof. Aneesh S.P, Programme Co-ordinator.
