

# AVISHKAR 23

UNFOLDING  
THE  
FUTURE

It's time to explode the National Level Techno - Cultural Fest AVISHKAR' 23.

AVISHKAR' 23 boasts to be an amazing experience for all attendees with a wide range of thrilling events and activities. AVISHKAR'23, an event hosted by our college that brings together the best brains in the nation, is a celebration of creativity, innovation, and diversity.

With competitions in Project expo, CADmaster, Paper presentation, coding, and gaming, you may experience the thrill of technology. Attend performances of music, dance, and visual art to fully experience the diversity of culture.

Why are you hanging around? Be a part of this amazing journey of learning, development and enjoyment by joining us at AVISHKAR'23! We promise to be a spectacular event that you won't want to miss, with a programme of fascinating events, workshops and competitions. Set up time in your calendars and get ready for an unforgettable experience! We welcome everyone to be part of this techno-cultural fest.
